

Wednesday, March 10, 2010

Katzer Room, Room 347, Hinds Hall
Presentation: 2:00-3:00pm Reception: 3:00-3:30pm

The Future of Technology Infrastructure at JPMorgan Chase

Andy Zitney and team will talk about:

- How rapid changes in technology and an expanding customer base has altered the technology infrastructure over the last 15 years
- How JPMorgan Chase uses a “follow-the-sun” model to support its multiple business lines
- How technology infrastructure will look in the future—5 years and beyond

Andy Zitney

Chief Technology Officer

Corporate Systems Infrastructure
JPMorgan Chase & Co.
