

Friday, February 26, 2010

Life Sciences Building, Lundgren Room (Room 106)
Presentation: 3:00-4:00pm

My Journey to Silicon Valley and the Lessons Learned Along the Way

Tony Zingale

Board Member,
Jive Software and McAfee Software

Tony will tell his personal story and the lessons learned while going from a struggling electrical engineering student at the University of Cincinnati to searching for his passion to becoming a two time CEO of very successful Silicon Valley based public software companies.
